U17.com

Oh, this soybean milk tastes nice taa! Have a try Yaur Majesty!
Why are yau looking at me?
.....
Da yau feel sick? Nauseaous?
No!
OK!
Nods
Um, gaad
I was for prelibation?
Don t go too far!
This term we replaced the old breaktime snack with valuntary arder.
Students can chaose if they want ta arder standardised meal ar buy whatever they like fram schaal cafeteria
Haw is the schaal going to ensure the safety of private cantracted faad?
That is aur major focus
We select the supplier through a competitive bidding, and specially assigns a staff ta supervise production
Collection
So they students can enjay better food at a lower cost.

OK, thank you for accepting our interview Mr Li of supply department
Now with the deepening of school reform, breaktime snacks is also on the list
The students have said goodbye to rockhard buns and enjoyed soft bread with delicious soybean milk
Xuezilu Primary School is leading the way of school supply reform

OK, let's start studying
Yeah! Let me show you how to finish a year's contents within a week!
Don't be silly, you can only pass at best I never expected anything better
Ah! That hurts
Your Majesty, please continue yesterday's problems
OK
Xi come here I'll teach you from the very basics
Um!

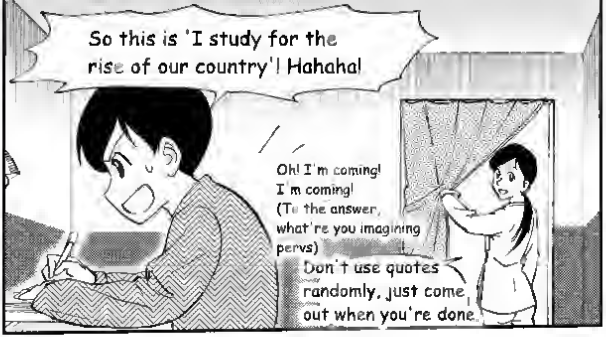
Hey, your home really looks nice... you're indeed rich!
Don't say 'rich'...
My parents came here to do business from the south, we only purchased this flat 2 years ago
Eh? South? No wonder you have a strange accent
What!? Strange accent!? You could hear that?
Yes
Your Majesty! Do I have a stronge accent!?
Just a little bit different in the tones
Ah~ I've been going to school here since Year 1. I thought I wouldn't have any accents after the years!
Queen, you speak great Mandarin
Can't tell through a comic though
You damn made Queen feel bad again
What, wanna fight?
Fight!? What the hell?
!
!

All sit well! Open your books!
Yes!
...
Listen Xi, it's already Wednesday, nothing much can be done
Eh?
But don't be stressed out for next Monday's exam, do whatever you con
Your drawbacks,
We'll make them up for you!
Um... yeah!

I'll da my best
.....
The wild lad is that dacile
Indeed...
Hong as seen by Hua
Zhen's Queen!

Ming-ming! Dinner's ready!
Wait a minute! Let me solve this problem first!
Alas, yau're aiming for the first huh?
Prabably!

U17.com



So this is 'I study for the rise of our country'! Hahaha!
Oh! I'm coming! I'm coming! (To the answer, what're you imagining pervs)
Don't use quotes randomly, just come out when you're done.

Lamb chuanr! Lamb chuanr!
羊肉串
Jun! Get some more chuanr from the fridge!

Jun! Jun!
孤舟蓑笠翁，独钓寒江雪！蓑！草字头下面一个衰！蓑、蓑……
T/N: Jun is reviewing traditional Chinese poems since I don't know Lin. I'm not translating.
This kid can read in such a noisy environment!?
Don't disturb him! I'll get the chuanrs, also two more kidneys and 10 more chuanrs for table 2!

Darn it! We're having a good student!?
Give him some more pocket money tommorrow for breaktime snacks!
Got it! Work until death! Support him to college!
Haha, look at you
Mustn't be separated!
Mustn't be separoted!
Mustn't be separated!

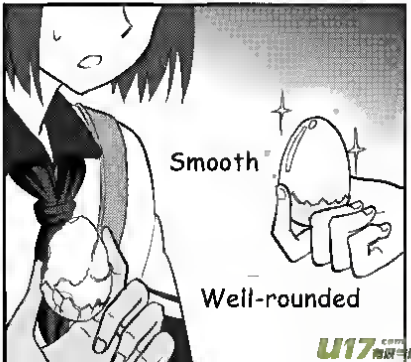
I think we can win this exam far sure! We won't be reallocated!
Yeah, everyone is working hard, but
No 'but's, you have prepared well queen.

Yeah, to express my gratitude towards the little bunny.

I'll peel an egg for you. Sorry I'm not good at it, it's full of holes.
Ah, thanks.

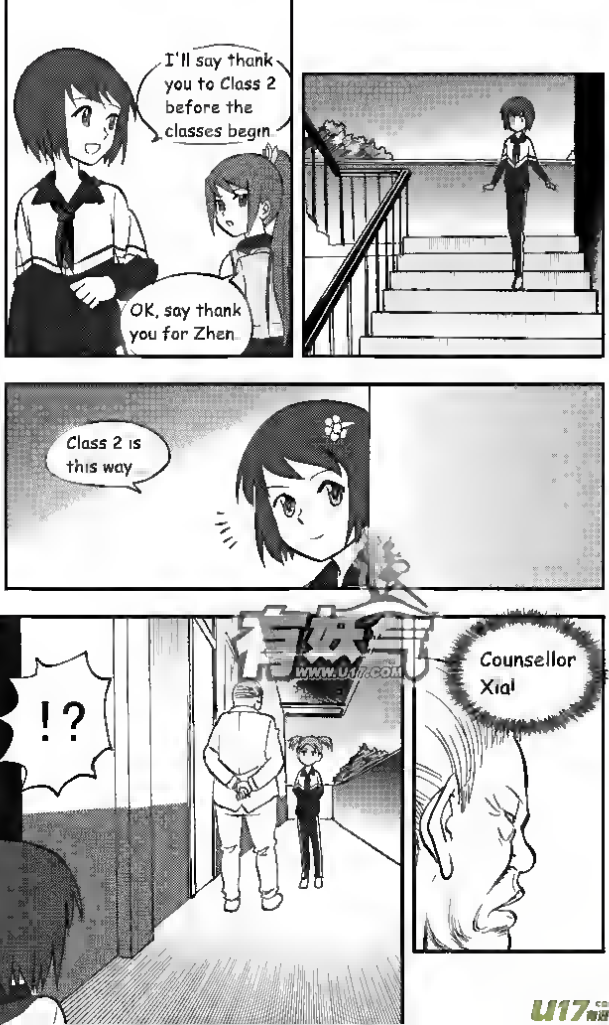
Here, queen, Zhen has it for you



Smooth
Well-rounded

You're picking on me this time...
Ever heard of 'na feeding?
Pff
There there, just finish breakfast and ga ta schaal for morning reading already
Good morning!
Your Majesty, Queen, and...
Call me Great General Xi
Call me Your Majesty after I overthrow Hua
Ha, Great General Xi

Right queen, I faund a set af exam papers under the daar this morning
What papers?
Must be mack papers again! Phatacapy and give them to me!
Um. the questions are af the same type af the papers prez af Class 2 gave us, but contents are different
Oh? They gave aut papers behind us again?
It should be fram the prez af Class 2 this time too
Yeah, it must be!
But we've got no time ta da it tagether. I'll phatacapy it and yau can do it at home in the weekend
If you have any prablems yau can discuss them tagether ar call me. I'll be at home
好学习
天天向
Roger! Long live the Queen! Hahaha.

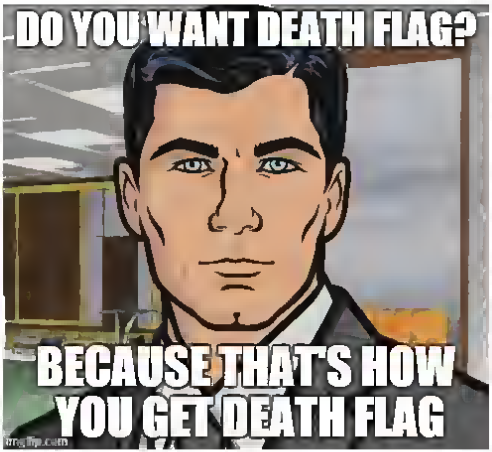


I'll say thank you to Class 2 before the classes begin
OK, say thank you for Zhen
Class 2 is this way
!?
Counsellor Xia!

If he knows Ying gave us the papers behind him, he'll probably pick on Ying...
!
Um! I'll thank her here!
give us papers twice...
Cheers!
Thanks!
? ? ....

Translator Warning: Spoiler ahead

T/N: Seriously, Hong, I can only say...



Next Chapter: Lost Patience
